

FOOD ASSISTANCE RESOURCES

UPDATED 12/13/22

Dear Neighbors,

To help constituents, we've developed the following list of resources throughout New Jersey's Third District and beyond to help with issues regarding food assistance. We recommend contacting all pantries and food kitchens in advance to verify their hours of operation, as they may change. Food bank resources change frequently, so call or check online before going. If there are other organizations you would recommend to help our neighbors that you don't see listed, please contact our office.

Sincerely,
